You will need to photograph your property to best show what is available.

To do so, please adhere to the following.

## EXTERIOR EXAMPLES

## EXTERIOR TIPS

Capture all the angles/views of your property and its surroundings.

Make sure to capture the front and back as well as the side(s) of the property.

You will want to make sure you give a good representation of the property and the surrounding area.

Photos should be “people free”.

## INTERIOR EXAMPLES

## INTERIOR TIPS

We will need at least 3-4 rooms captured.

Capture all the angles/views of a room.

You will want to make sure you give a good representation of the interior—you do not need to get caught up on specific details, such as types of doorknobs.

Typically, a property should have 20-30 photos accompanying its submission.

Photos should be “people free”.
