- ◆ Industry best practices applied specific to each project per client.

COMPANY OVERVIEW

Founded in 2005, Creative Leasing Solutions Inc. dba CLS Management is a Certified Minority & Women-Owned Business Enterprise that offers a full array of Business, PM, and IT consulting services. We engage with our clients either through Staffing engagements with skill-specific individuals as needed, or, if the client prefers, Statement of Work commitments that hold CLS responsible for the final deliverables. Our consultants are very diverse and capable of working on multiple platforms, in various environments with the available tool sets. This allows us to offer the best solution for each business condition and existing environment. Our goal is to provide our clients with custom tailored solutions, which allows them to exceed their business objectives. We specialize in project oriented work and focus on deliverables to measure our success.
