

Black Stone

Thank you for choosing Biztro Hospitality for your event!

Our **Z-Blackstone Packages** are perfect for picnics, BBQs, and backyard parties, featuring a portable Blackstone grill and fryer with premium menu selections.

Want to customize your menu? We can swap items, create a themed menu, or use our **Pick-a-Menu** option: choose your favorites, and we'll price it out.

Our standard event duration is 2 hours, with a mobilization fee based on your location.

To secure your date and time, we require a signed contract and a 50% deposit (based on your pre-tax event total).

We look forward to serving you—wherever the road may take us!
