## PROJECTS

### Demo Reel

A reel of various school projects I have created or worked on.

### Cat in a Pot — Animator/Creator/Editor

Animated on Adobe After Effects for a student project (the cat was never actually in the pot).

### The Butcher’s Son — Co-writer/1st AD/Editor

Student project filmed outside of Prague, Czechia. Developed with the help of CET Academics Programs and FAMU professors. Film is in Czech with English subtitles.

### This or That Podcast — Producer/Sound Recorder/Editor

One episode created to test the start of a new podcast.
