SKILLS

A creative and passionate filmmaker with 10+ years of experience crafting deeply resonant films, proficient in all stages of production with a strong emphasis on storytelling and producing.

EXPERIENCE

Writer, Director, Producer | Purple Sky Productions | Plainfield, NJ | 2017 - Present

- Conceptualized, wrote, and directed a short film titled *Unemployed*, overseeing all creative and logistical aspects of the production.
- Led and collaborated with a cast and crew fostering a positive and productive on-set environment.
- Oversaw all stages of post-production, including editing, sound design, and color correction, to achieve the desired artistic vision.

Associate Producer | Griot Media | Newark, NJ | April 2018 - Sept 2024

- Contributed to the development and execution of the documentary film *Being Gladys*.
- Coordinated interviews and managed communication with interview subjects.
- Assisted the lead producer with various logistical and organizational tasks.

Production Assistant | Universal Television | East Rutherford, NJ | October 2018 - February 2019

- **On-Set Support:** Assisting the Assistant Directors (ADs) with maintaining order on set, managing background actors, and facilitating communication between departments.
- **Communication:** Relaying messages between crew members and departments, often using walkie-talkies.
- Facilitated a comfortable and efficient environment for celebrity talent by ensuring their needs were met on set and relayed the director's "action" cues when out of earshot.
