HOBBIES & INTERESTS

I love to travel and currently hold a valid US Passport. I am married with three grown children so I am very experienced with students of all ages. I have worked for several performing groups who toured internationally, as well as working for large studios and independent productions. Therefore I understand the versatile needs and demands of studio teaching. I am a very easy going person with a positive attitude, always eager to learn and assist. I am happy to provide references upon request.
