INDUSTRY EXPERIENCE

Director/Writer & Cinematographer - 50+ Titles / Dancing Filmmaker Productions & Crash Content Productions

August 2020 - Present

- Write and edit original scripts within various genres; short films, feature films, music videos and social media content.
- Plan pre-production tasks including, but not limited to: script breakdown, casting, location, art decoration, crowdfunding, etc.
- Direct, shoot and edit original films written by various writers, many of which premiered at festivals and on YouTube.

Script Supervisor - *Lupo (The Wolf)* - Feature Film

November 2025

- Broke down the script and met with the Director to discuss clarity of her vision.
- Focused on maintaining continuity throughout production both in each specific scene and the story as a whole.
- Wrote thorough notes for the Editor and Director to use in post-production.

Script Supervisor - *Joyride - Short Film*

August 2025

- Broke down the script prior to filming for the production team to use in prep.
- In-charge of continuity throughout the duration of production.
- Prepared notes for the Director to reference when in Post-Production.

Production Manager - *Stargazer* / Mountain Muse Productions

May 2021 - June 2021

- Organized shooting schedule in pre-production alongside the Unit Production Manager, Director, and Assistant Director.
- Coordinated equipment orders and drop off for each department and communicated all important details with the cast and crew.
- Handled meals, living arrangements, and travel for the cast and crew each week of production and led PA's in daily tasks on set.
