The Frisch School, Paramus NJ — *Graduate* September 2007 -- June 2011

Bergen Community College, — **Associates in Sciences 2012-2014**

4.1 GPA

*A posthard core metal group consisting of 5 pieces of which I was the song writer and founder for all 5 years. Thought it has since disbanded, it was the first success I'd gained. We opened for Ice Nine Kills, Famous Last Words, Monument of A Memory and Breakdown of Sanity amongst others. We performed at Gramercy Theater, Stanhope House, Webster hall and more. We released one music video and one EP.
