THE SCOOP:

To book a bar, we ask for a 50% non-refundable retainer. The balance is due 30 days before your event date.

Payment for the bar rental is via check made payable to *The Roving Bar*.

The alcohol is paid for separately. The contract will ask for credit card information for payment of the kegs.

The alcohol/kegs do not need to be decided upon at the time of booking.

TRB will be glad to assist you on the selections for your event based on total serving hours, guest count, beverage types and whether or not there is an additional bar.

The order must be finalized two weeks prior to the event date. **Glassware/plastic cups are not included in the rental, and must be provided to TRB.**

The setup location must be easily accesible (no stairs, etc.), and level with enough clearance.

Setup for the bar takes approximately 20 minutes. TRB will aim to arrive one hour prior to the bar's scheduled start time.
