EXECUTIVE SUMMARY

Founder and Executive Producer of TAJ Music for Media, a boutique music licensing and production company delivering original, sync-ready music for film, television, streaming, and digital media. Known for creating emotionally driven, cinematic, and soul-forward music designed to enhance storytelling on screen. Experienced in catalog development, music production, rights management, and fast-turnaround delivery for media professionals.

CORE EXPERTISE

- Music Licensing for Film & Television
- Executive Music Production
- Sync-Ready Music Creation
- One-Stop Clearance & Rights Control
- Catalog Curation & Metadata Optimization
- Creative Direction for Screen Media
- Music Supervisor & Producer Collaboration

PROFESSIONAL EXPERIENCE

TAJ Music for Media — Founder & Executive Producer (2024–Present)

Founded and lead a music licensing company specializing in original music for TV shows, films, streaming series, documentaries, and digital content. Curate and manage a clearance-ready catalog with full ownership of masters and publishing. Produce cinematic, emotional, and story-driven music across drama, romance, thriller, reality TV, and documentary formats. Serve as the primary decision-maker for licensing approvals, creative direction, and delivery timelines while collaborating with producers and media professionals to align music with narrative and visual tone.

MUSIC & CREATIVE FOCUS

Original vocal and instrumental compositions created specifically for screen use, scene placement, emotional pacing, and dialogue support. Styles include cinematic soul, dramatic underscore, contemporary R&B-influenced; textures, and mood-driven instrumentals.

INDUSTRY POSITIONING

Supervisor-friendly, sync-focused catalog • Professional broadcast and streaming delivery standards • Fast licensing response and turnaround • Music created for film and television storytelling

EDUCATION & PROFESSIONAL DEVELOPMENT

Background in business, psychology, education, and the creative arts, with ongoing professional development in music production, media licensing, and creative entrepreneurship.

Creating music that moves the story forward.
