

1-800-PACKOUTS®

Central New Jersey

ARTWORK

Our team will coordinate with you and our network of conservators to restore and preserve artwork, paintings, and drawings.

FURNITURE

Depending on the furniture type, we will communicate with you about a clear restoration plan to address the damage.

SETS

Your personal belongings will stay organized and separated, so furniture sets will remain together throughout the process.

HEIRLOOM PIECES

We will take note of sentimental items and treat them with extra attention and care to ensure they are restored from the damage.

ANTIQUES

Our proven cleaning process is conducive to old, delicate, and intricate items, and we will even hand-wash when necessary.

TEXTILES

From rugs to curtains, we can take care of communication with the necessary parties in our network to handle fabric contents.

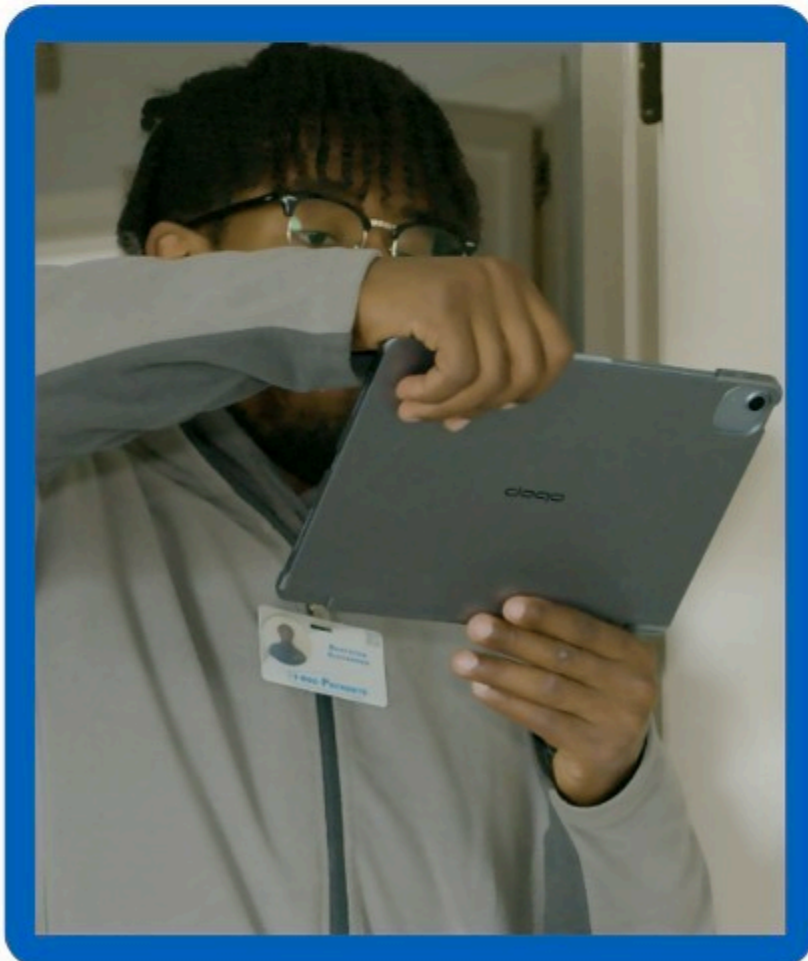

UNIQUE TRINKETS

Our digital inventory system will track the damage and our experienced team will customize the restoration process.

FOR ALL CONTENTS

If necessary, our team will clean contents on-site and transport the item to our facility to complete the restoration process.

WHAT TO EXPECT DURING THE PACKOUT PROCESS

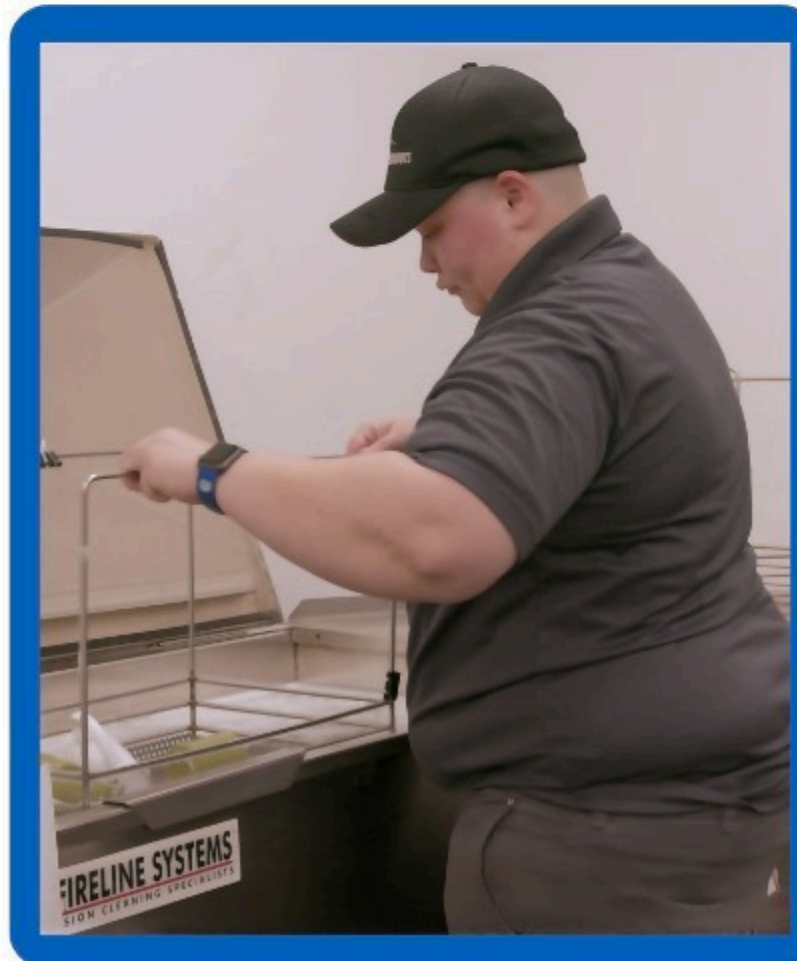

INVENTORY

Having a detailed digital inventory of all affected items ensures a smooth process and accountability for our team.

PACKOUT

Contents are safely packed and then carefully transported to be restored to their pre-disaster condition.

CLEANING

Our trained technicians and technology can restore even the most delicate and intricate items to their original state.

STORAGE

Personal belongings are stored in our climate-controlled, secure, and private storage facilities.

TAKEBACK

The contents return process is careful and timely, whether your items are stored for 2 weeks or 6 months.

PACKOUTS. CLEANING. STORAGE. SUCCESS!
