EXPERIENCE

Lifetouch — Studio Photographer

October 2025 - Current

I was the one responsible for capturing photos for multiple different groups of people who come in for our services. I would guide and direct customers through their sessions, helping with poses and more. I would then edit photos as well as perform the sales process. I'd present photos, help customers choose products/packages, and work toward sales goals.

Skydive Cross Keys — Video editor

March 2025 - October 2025

I was responsible for editing skydiving videos captured by on site videographers and organized photo galleries for customers. I also managed client communications by writing and sending personalized delivery emails. Lastly, I ensured all photo and video content met quality standards and was correctly uploaded and labeled.

Christian Yvonne Productions — *Main Camera Operator, Behind the scenes Photographer and Videographer*

May 2024 - September 2024

I was responsible for getting the most important shots while filming a TV. show as the main camera operator. I also did behind the scenes photography and videography my first day on set.

Renaissance Church Ministries, Clementon — *Photographer and Videographer*

June 2024 - PRESENT

Captured event photography and videography for church services and made promotional video reels.
