## RELEVANT EXPERIENCE

---

### Field Camera Operator (Seasonal)

May 2025 - Present

Darby Development LLC at Monmouth Park Racetrack | Oceanport, NJ

- Operate Hitachi SK-HD1000 broadcast cameras from an elevated tower position, capturing 3-8 riders per race across multiple angles for live simulcast
- Track and follow individual riders through zooms and pans from warm-up through the starting gate
- Execute real-time shot decisions in a fast-paced live environment with no opportunity for retakes

### Production Intern

January 2026 - April 2026

Monmouth Digital Network at Monmouth University | West Long Branch, NJ

- Operated robotic and fixed cameras for live multi-sport broadcasts, framing game action and player highlights in real time
- Ran broadcast graphics, bug controls, and commercial timing during live games for FloSports
- Supported audio, replay monitoring, and pre-production research across multiple production roles

### Cinematographer

March 2026 - May 2026

Bruce Springsteen Center for American Music Documentary at Monmouth University | West Long Branch, NJ

- Served as lead cinematographer for a documentary exploring the Bruce Springsteen Center for American Music at Monmouth University, operating a camera for interviews and b-roll shoots
- Collaborated with the director and production team on shot composition, lighting setups, and technical coordination throughout production
- Supported pre-production planning, including location scouting, interview coordination, and on-site technical setup

### Photographer/Politics Editor

January 2025 - May 2026

The Outlook: Student Run Newspaper at Monmouth University | West Long Branch, NJ

- Captured high-quality images for publication, covering campus events, student life, and university news
- Composed engaging articles and features contributing to The Outlook's student affairs and current events coverage
- Coordinated with editors and reporters to ensure visually compelling and informative content for the student newspaper
- Performed under tight deadlines, ensuring timely and accurate coverage of assignments and topics

### Founder and President

October 2024 - May 2026

Lens Collective Photography Club at Monmouth University | West Long Branch, NJ

- Established and led campus-wide photography club, overseeing event planning and content production
- Arranged events such as photo walks, creative workshops, and guest speaker events, fostering an inviting environment
- Directed multiple projects while developing skills in leadership, team collaboration, and creative direction
