

TEN88

Music / Sync / Rights Support for Film, TV, Trailers & Streaming

TEN88 Music LLC d/b/a TEN88 is a music company with primary hubs in Atlanta, New York, Los Angeles, and New Jersey. We work across publishing, producer management, catalog monetization, rights strategy, and creative music sourcing to help productions access music that is creative, usable, and rights-aware.

CORE SERVICES

- Pre-cleared music for film, TV, trailers, promos, and digital content
- Custom songs, cues, and creative music briefs
- Producer, songwriter, artist, and composer sourcing
- Publishing split review, documentation, and clearance support
- Sync-ready catalog support and rights-holder coordination
- Music-rights strategy for independent artists, producers, labels, and catalogs

WHY TEN88

- Multi-market creative network across key music hubs
- Direct access to producers, writers, artists, and rights-holders
- Strong understanding of publishing, splits, and ownership documentation
- Ability to source records quickly for specific scenes, moods, genres, or campaign needs
- Built for independent music, catalog monetization, and sync opportunity development

PRODUCTION USE CASES

Scene / Episode Placement

Supply songs or catalog options aligned to mood, genre, era, character, or location.

Trailer & Promo Music

Source high-impact records, hooks, instrumentals, and custom music ideas for campaigns.

Custom Creative Briefs

Coordinate producers, writers, and artists to create music around a specific brief or deadline.

Positioning: TEN88 is a creative and rights-focused music partner for productions needing cleared music, custom music, producer access, and publishing documentation support.
